Choptank *Fiber*

Grow your Business with the Ultimate Managed Wi-Fi

Now offering SmartBiz™ from Choptank Fiber.

It's Time To Replace **Network Complexity** With Productivity.

Protect
Safeguard your business networks, staff, and customers with 24/7 malware, virus, and threat defense.

Connect
Use dedicated business, point-of-sale, staff, and customer networks to maintain compliance and keep critical data protected.

Filter
Provide Wi-Fi connectivity to business and staff and boost productivity by restricting access to harmful or inappropriate internet content right from the CommandWorx™ app.
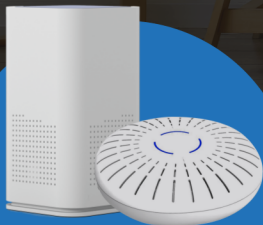

Always On
Keep your essential business networks running 24/7 by automatically switching to a cellular connection during outages.

SMALL BUSINESS SOLUTIONS.
BIG OPPORTUNITIES.

There's nothing small about your small business. Take advantage of big opportunities by adding a managed network service that can help protect your network from attacks, increase staff productivity, and secure critical business systems.
